WHO MURDERED ME?

TRISH HAYNES

Found: September 2018

Location: Grafton, New Hampshire Age: 25 years old at time of death

On September 6, 2018, the Grafton Police Department in Grafton, New Hampshire pulled two crates from Grants Pond that contained human remains that were later identified as belonging to Trish Haynes.

For months, Trish's family was asked to keep her death a secret by New Hampshire law enforcement. Finally, in July of 2019, the NH Attorney General's Office made a public announcement regarding Trish's death.

There have been no arrests related to the case or updates since July 2019.
