January 10, 1987

Jane Boroski
Keene, NH
August 6, 1988

Throughout the 1980s, a serial killer was targeting women in the areas surrounding the Connecticut River Valley, spanning parts of New Hampshire and Vermont. To this day, the killer's identity remains unknown, making it one of New England's most haunting and well-known unsolved cases. There are currently seven known victims linked to the Connecticut River Valley Serial Killer — and one known survivor who lived to tell her story.
